Shenzhen Futian Financial Development Office

Shenzhen Futian Financial Development Office (Invest Futian) is the organization assigned by the municipal government with the task of attracting investment and enhance the financial development of the district. It is committed to bringing in investment projects and teams of talented professionals that match the district's positioning and industry policies. It is also dedicated to providing premium and professional government services for investors and financial companies.

The main services that are provided by this company are:

- providing information on the investment environment and industry-supporting policies
- assisting investors coming to Futian to begin their field investigations/fact gathering, aiding investment negotiations, and other activities
- introducing suitable domestic or overseas partners for investments and promoting project cooperation between enterprises
- providing whole process follow-up services for major investment projects and professional consulting, preferential application and corporate site selection services
- providing high-quality services, and much else, to aid the successful growth of outside investors' undertakings in Futian

About Futian district

Futian district covers an area of 78.66 square kilometers, it is the administrative, commercial, financial, cultural, information and international exhibition centre of Shenzhen. Shenzhen CBD is located in Futian District. The GDP of Futian reached USD 52.3 billion in 2016. In the tertiary industry, the added value of the finance industry was USD 18.4 billion.

Purpose of the visit

The main purpose of the arrival of the delegation is to get in touch with companies from Science, Technology, Finance and Hi-tech, discuss with them about possibilities for future cooperation, investing and about basic information in accordance to business (legal protection with regards to technologies/finance/hi-tech; possibilities and ways of cooperation, interests of companies in China etc.).
